Meet Dr. Martha Burk, nationally-recognized author and authority on women's issues and Corrales resident, signing books in her home town.

Her new book, *Your Money and Your Life* is a manifesto for the woman voter — and for male voters who care about the women in their lives. Martha Burk empowers the reader to cut through the double-talk, irrelevancies, and false promises, and focus directly on what's at stake for women in the '08 election, and in the years beyond. Where women stand, what women think, and what we need -- with tough questions for candidates and elected officials.

Your Money and Your Life is neither partisan nor about individual candidates. The information in *Your Money and Your Life* has value far beyond any single election. It is a blueprint for change for the better – for women and the country — and an ideal book club pick for this important election year!
